

Forest Products M&A Deals in North America

~100 facilities acquired in 82 deals since 2009, ~40% in CAN, ~30% in SE and ~20% in NW US

With its acquisition of Temple-Inland, IP leads the pack, followed by Eacom, Confiex, Arbec, Ilim Timber, Carrier, Seneca, Idaho and Clary. An auction for Temple-Inland's building product assets is expected to unfold this summer.

Chiron is a unique merchant bank, advising forest product companies to raise debt, equity or position to sell. Via affiliates, Chiron provides financing.
